

## THE GARDEN OF ALLAH.

Though it is not required of us to comment upon the "Garden of Allah" which was shown last night to an overwhelming audience in Rocky Mount, the continued adverse criticism by the Norfolk Ledger Dispatch of all shows that first appear in that city before coming to North Carolina, which may have the effect of keeping people away from many very creditable productions, is the cause for discussing the "Garden of Allah" which turned away nearly two hundred people last night because the theatre would not hold the crowd that applied for admission.

When the Norfolk critic states that the "Garden of Allah" was like unto an ordinary vaudeville show it makes one wonder how he arrived at such a conclusion, and whether his vision was so obscure that he could remember nothing but the contortion dance of the Arab, for had he but used his eyes and his senses he must have appreciated the wonderfully depicted struggle for ascendancy of the soul over the materialism of earthly passion.

If he could not rise to the heights of imagination, and surely there are few but could follow the strongly depicted struggle of the renegade trappist monk, so wonderfully rendered by Mr. William Jeffrey, whose acting was a rare treat after the surfeit of mediocre acting of present day, the critic, if critic he be rather than abuser, must have gloried in the remarkable scenic effects produced.

What more realistic has been seen on the stage than the life of the desert, the facsimile of the Algerian town scene, the marvelous and inimitable sunrise upon the sandy wastes, and above all the sand storm. Those who could not appreciate these scenes are

surely too hardened to be worthy of offerings of beautiful conceptions such as was shown in the "Garden of Allah."

There is probably some reason why the Norfolk critic cannot appreciate the beautiful, for as we remember he praised the negro comedy offered by Gus Hill, and was high in praise of "Fair and Warmer" which made the seats of the Tarboro opera house take on a ruddier glow, which has not since been effaced. There is no accounting for taste, nor for critics, especially "would be big ones."

## LEMONS WHITEN AND BEAUTIFY THE SKIN

Make this beauty lotion cheaply for your face, neck and arms and hands.

At the cost of a small jar of ordinary cold cream one can prepare a full quarter pint of the most wonderful lemon skin softener and complexion beautifier by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whiter and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quarter pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck and arms and hands. It is marvelous to smoothen rough, red hands.

Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

## DRUGS EXCITE YOUR KIDNEYS, USE SALTS

If your Back is aching or Bladder bothers, drink lots of water and eat less meat.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 600 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.

## SAGE TEA DARKENS HAIR TO ANY SHADE

Don't stay Gray! Here's an Old-time Recipe that Anybody can Apply.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.
